

Team Ireland Taekwon-Do

17th October 2022

Dear Coaches/Athletes,

The Coaches and Management of the ITF Ireland National Team are opening up the expressions of interest for the European Championships in Cluj Napoca, Romania 25th to 30th April 2023.

Any athletes in your club who would be interested in selection for the Euros, should complete the google form selecting all the categories of interest.

Please be aware there are new weight categories annotated on the google form.

We will send a further update with the squad session costs, dates and locations nearer the time.

As you may or may not be aware, the current individual cost for a campaign is approximately €1,000. The committee inline with our sponsors try to offset some of the cost where possible, updates are given on this at every squad session. If you are aware of a company or individual that may be interested in sponsoring an athlete, the Team or an element of Team Ireland, then please email sponsorship@taekwondo.ie

For your information, any injuries sustained during squad sessions are not covered by the ITA insurance. It is suggested that personal insurance is taken out for the duration.

If you have any queries, please contact us at tkdteamireland@gmail.com

Kind regards

Team Ireland Coaches and Management
